

Disposal of packaging and packaging materials

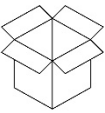

The following packaging and packaging materials may be used by Craemer when shipping goods. The information provided is intended to assist you, as the recipient of the goods, in the proper recycling of the materials, but is only intended as a recommendation.

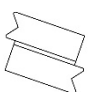

Individuals should check their local regulations before disposal.

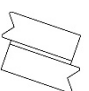

Commercial customers should check their own internal regulations for disposal.

 	Type of packaging	ONE-WAY WOODEN PALLET		
	Classification	Material	Abbreviation	Number
		Wood	FOR	50
	Material family	Wood		
Note on disposal	Separate waste collection			
 	Type of packaging	PAPER LABELS / STICKERS		
	Classification	Material	Abbreviation	Number
		Paper	PAP	22
	Material family	Paper		
Note on disposal	Separate waste collection			
 	Type of packaging	PLASTIC DELIVERY NOTE POCKET		
	Classification	Material	Abbreviation	Number
		Low-density polyethylene	LDPE	4
	Material family	Plastics		
Note on disposal	Separate waste collection			

 	Type of packaging	PLASTIC ADHESIVE TAPE		
	Classification	Material	Abbreviation	Number
		Polyvinyl chloride	PVC	3
	Material family	Plastics		
Note on disposal	Separate waste collection			

 	Type of packaging	PAPER PACKAGING / CARDBOARD		
	Classification	Material	Abbreviation	Number
		Corrugated cardboard	PAP	20
	Material family	Cardboard		
Note on disposal	Separate waste collection			

 	Type of packaging	PLASTIC STRAPPING, GREEN		
	Classification	Material	Abbreviation	Number
		Polypropylene	PP	5
	Material family	Plastics		
Note on disposal	Separate waste collection			

 	Type of packaging	PLASTIC STRAPPING, BLACK		
	Classification	Material	Abbreviation	Number
		Polyethylene terephthalate	PET	1
	Material family	Plastics		
Note on disposal	Separate waste collection			

	Type of packaging	POLYESTER TAG		
--	--------------------------	----------------------	--	--

  PET	Classification	Material	Abbreviation	Number
		Polyethylene terephthalate	PET	1
	Material family	Plastics		
	Note on disposal	Separate waste collection		

  LDPE	Type of packaging	FOIL BLANK / STRETCH FOIL / SHRINK HOODS		
	Classification	Material	Abbreviation	Number
		Low-density polyethylene	LDPE	4
	Material family	Plastics		
Note on disposal	Separate waste collection			

  LDPE	Type of packaging	BUBBLE WRAP		
	Classification	Material	Abbreviation	Number
		Low-density polyethylene	LDPE	4
	Material family	Plastics		
Note on disposal	Separate waste collection			

  PAP	Type of packaging	ANTI-CORROSION PAPER		
	Classification	Material	Abbreviation	Number
		Paper	PAP	22
	Material family	Paper		
Note on disposal	Separate waste collection: Do <u>not</u> dispose of oil-contaminated paper with normal paper waste.			

	Type of packaging	PLASTIC BAG
--	--------------------------	--------------------

 	Classification	Material	Abbreviation	Number
		Low-density polyethylene	LDPE	4
	Material family	Plastics		
	Note on disposal	Separate waste collection
